

Four professional accounting organizations have joined forces to present the 21st Annual Accounting and Auditing Student Conference.

**As an exhibitor you:**

**Save** travel time and visit students from more than 30 colleges and universities in one day, at one location

**Find** top candidates for your entry level accounting positions from among hundreds of accounting students

**Develop** your company's positive image as an employer of choice among highly recruited accounting students

**Build** awareness of your firm with a company profile in the exhibitor guide and conference app

**Private Interview Booth**

Make your recruitment process more efficient by reserving a private interview booth. Don't risk losing a top candidate to a competitor - reserve a private interview booth and complete first interviews at the conference. *Limited availability.*

**Exhibitor registration includes:**

8 x 10 booth  
Company profile in exhibitor guide  
Link on conference website  
Link on conference mobile app  
Refreshments and lunch

**Exhibitor Profile:**

Public accounting firms from small to large  
Corporate employers both private and public  
Federal, state, and local governments

For questions regarding registration and exhibiting, contact Kathy Sheridan at the conference executive offices at [kathy@sapphyregroup.com](mailto:kathy@sapphyregroup.com).

**Student break out sessions include:**

**One-on-one and group interviewing and resume tips** - professionals talk with students about interviewing and provide tips on effective resumes.

**Behind closed doors** - recent graduates now working in the field tell it like it is.

**Accounting career paths** - students meet with a variety of professionals to learn about career paths open to them after graduation.

**The Updated 2019 CPA Exam** - Yet another updated CPA exam launched April 1, 2018. Learn about the exam and hear from a panel of professionals who've passed the exam and how they did it.
